

## **Weekly meeting:**

*Online Library for Learning Implementation & Engagement (OLLIE)*

**19 January 2023**

*The meeting was not held this week due to an unavoidable situation; however, Prof Javed Mostafa has assigned Kibria for the below new tasks:*

- 1. FP-DHiS2** – *Kibria to develop an activity plan for Bangladesh and share with team.*
- 2. UNC-MedSTAR potential collaboration** – *Kibria to communicate with Dr Nawar to engage a Research staff in the next discussion. He will also share the potential funding opportunities in NIH/Maternal Health domain in the group.*
